Dear Families,

Wishing you and very warm welcome back to the start of Term 4.

We all hope you had a good break over half term.

Our first week has been go, go, go. We have certainly hit the ground running with getting straight back into learning. As I have gone round and talked to children this week, they have all been an absolute joy telling me all about their learning and (this is the bit that I am super-excited about) why they are learning and what difference it is making to them. One young man said "I feel so proud of myself when I am learning, it feels so warm inside I can't but smile on the outside." Well it doesn't get better than that right?

A reminder that full reports will be going out at the beginning of term 5, please always get in touch if you would like to talk about your child's learning.

Thank you for your continued support.

Emma Barker

Head Teacher

## LITTLE LEARNERS

The Little Learners have seemed to enjoy their last few weeks of learning. They have shown amazing team working skills, made predictions and have been speaking of mathematical terms less and more. The children have been enjoying activities such as human wheelbarrows - where they have worked together (with help and supervision from the adults) to make each other into a wheelbarrow.

We have also been looking at less and more in terms of height, capacity and physical items. Please see your own child's EYlog for more photos and observations.
